CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Towards achieving the goal of quality curriculum delivery our College contributes regularly in curriculum development by the University of Jammu. All the heads of teaching departments are members of their respective board of studies at Jammu University. They attend the meeting and contribute in the up-gradation of syllabus and curriculum change. One of the notable curriculum reform by our College is the introduction of Psychology (Honours) and Political Science (Honours) which probably makes our College the only College in Jammu division to offer such courses. Our teaching faculty update themselves by attending refresher courses, general orientation courses, faculty development programmes etc. The faculty are also encouraged to participate in seminars/conferences/workshops to update their knowledge base and for implementing the same in their subject delivery and curriculum more effectively. Many of them have enrolled themselves on ARPIT and other online courses. The subject teachers regularly arrange study tours, field visits, and practical sessions for enhancing their fundamental concepts of knowledge of the respective subjects. The departments use modern teaching aids, ICT devices for effective delivery of the curriculum. The Examination results are reviewed and the weaker students are provided remedial classes. The college provides all necessary infrastructural facilities to our teaching staff such as audio-visual hall, reference books in the library, access to e-books through National Digital Library etc. which help them in their routine teaching of the curriculum. The curriculum compliance is integral to responsibilities of the staff which is completely achieved by the college.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>The online feedback forms were framed based on google forms as per the convenience of the students and other stakeholders. Anonymity of students was strictly maintained in feedback templates on teachers. The Options corresponding to different parameters in various feedback templates were categorized as A (Very Good), B (Good), C(Satisfactory) and D (Unsatisfactory). Members of IQAC interacted with students and made them understand the importance of free and fair feedback. All the queries raised by students regarding filling of feedback forms were answered satisfactorily. Ample time was given to all stake holders for the submission of their feedback. Response from the students was tremendous as reflected from the number of responses in the google forms. The received responses were automatically analyzed by the google form and presented in the form of Pi-Charts. The analyzed data is uploaded on the college website. Our data crunching revealed that more than 90 percent of teachers were ranked as Very Good/Good by the students. A good percentage of students was not satisfied with the food quality in the college</p>

canteen and toilet facility in the campus. Based on this feedback, action was taken to improve the quality of canteen food and to provide better toilet facility to the students. The teachers with whom the students were not satisfied with respect to the parameter/s were appraised about it and told to work on the feedback given by the students The analyzed feedbacks are available on the college website www.gdcreasi.co.in.

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Govt. General Zorawar Singh Memorial Degree College encourages a culture of participative management by involving staff members in a number of administrative roles. The college promotes a culture of participative management as all college operations are managed by committees constituted for academic and non-academic activities. The Principal who is the administrative head of the institution has decentralised his powers among the different members of staff through the constitution of different committees like development, purchase, stationery and printing, IQAC, library, sports, examination internal assessment, students welfare etc. wherein the senior - most faculty member acts as the convener with other faculty members acting as members of the committee. The decisions pertaining to different committees are taken up in different meetings held from time to time in the presence of the Principal in the interest of the institution. The responsibilities of each and every member are defined and communicated through face to face meetings with the staff members of the college as well as by notifications. There are 49 duly constituted committees in the college and these committees are responsible for college time table, allocation and organization of co-curricular activities, purchases, conducting admissions, welfare of the students, preparing working guidelines for effective functioning of the college. Before the commencement of each academic session different committees are formed under the guidance of the Principal after due discussion with Staff Secretary.

6.1.2 – Does the institution have a Management Information System (MIS)?

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
<p>Curriculum Development</p>	<p>Towards achieving the goal of quality curriculum delivery our College contributes regularly in curriculum development by the University of Jammu. All the heads of teaching departments are members of their respective Board of Studies at University of Jammu. They attend the meetings and contribute in the up-gradation of syllabus and curriculum change. One of the notable curriculum reform by our College is the introduction of Psychology (Honours) and Political (Honours) which probably makes our College the only College in Jammu division to offer such courses. Our teaching faculty update themselves by attending refresher courses, general orientation courses, faculty development programmes etc. The faculty are also encouraged to participate in seminars/conferences/workshops to update their knowledge base and for implementing the same in their subject delivery and curriculum more effectively. Many of them have enrolled themselves on ARPIT and other online courses. The subject teachers regularly arrange study tours, field visits, and practical sessions for enhancing their fundamental concepts of knowledge of the respective subjects. The departments use modern teaching aids, ICT devices for effective delivery of the curriculum. The Examination results are reviewed and the weaker students are taught again in remedial classes. The college provides all necessary infrastructural facilities to our teaching staff such as audio-visual hall, reference books in the library, access to e-books through National Digital Library etc. which help them in their routine teaching of the curriculum. The curriculum compliance is integral to responsibilities of the staff which is completely achieved by the college.</p>
<p>Library, ICT and Physical Infrastructure / Instrumentation</p>	<p>The college campus is Wi-Fi connected and members of the faculty use laptops, LCD projectors, interactive board and various e-resources in the ICT enabled</p>

laboratories, classrooms and Multipurpose Hall to make learning more interesting for the students. In addition to the existing infrastructure of 50 Desktop PCs, 07 laptops, 08 multimedia projectors, 04 LED televisions, 01 DSLR camera, 03 Xerox copiers, 01 PA System installed in MP Hall, 01 Portable PA system, 5 KVA Genset, additional procurement of ICT equipment was done in 2019-20 which included 01 Digital Teaching Device to create a smart lab, 01 portable integrated digital teaching device, 02 interactive boards for labs, 01 document visualizer, 09 Desktop PCs, 03 laptops, 03 online UPS (3.5 KVA each), 02 inverters for labs (2KVA each), 05 Photocopier machines, 01 multimedia projector, 01 LED Television. College library is additionally equipped with 06 new All-in-one PCs to create a new resource centre and automation of library is underway. Three of the staff members received training at NIELIT, Jammu in Jan-Feb 2020 regarding emerging technologies in digital teaching. Further, 03 faculty members got acquainted with MOODLE based MOOC development platform via training conducted by the Higher Education Department.

Teaching and Learning

Government General Zorawar Singh Memorial Degree College, Reasi has 45.19 average enrollment percentage of students over the last five years. There is no reservation for SC/ST/OBC/RBA students in admissions however, an additional weightage of 5 percent of total marks is given to such students while preparing a general merit list. There are 35 teachers on the roll in the college, 24 are permanent teachers and 10 are on the academic Arrangement. Although admissions are open to all the students whether from within the state or outside but students from outside the state do not come for admission in the college. Teachers frequently review the academic performance of students to assess the number of advanced learners and slow learners amongst the students. Emphasis is laid upon student centric learning in the college. The college campus is Wi-Fi connected and members of the faculty use laptops, LCD projectors, interactive white board and

various e-resources in the ICT enabled laboratories, classrooms and Multipurpose Hall to make learning more interesting for the students. Many teachers have Ph.D. degrees however, none is registered as research guide because of lack of set rules in University of Jammu for registration of college teachers as research guides. The college follows the modalities of conducting the Continuous Internal Evaluation as prescribed by the University of Jammu. However, college has implemented various reforms in Continuous Internal Evaluation (CIE) system at its own level. The college has developed a transparent mechanism of internal assessment. Student Welfare Committee and Examination Committee are formulated to monitor the process of continuous evaluation. The institution adheres to academic calendar for class work and conduct of examinations. For each course offered by the college, a unique set of learning outcomes have been defined. Attainment of programme outcomes, programme specific outcomes and course outcomes are duly evaluated by the institution from time to time. The college achieved 58.68 of overall result in the preceding year whereas University pass percentage was 50.

Admission of Students

The University of Jammu gives publicity to the admission process to various U.G courses through its website, newspaper and Social media. The college also gives publicity to the admission process through its website www.gdcreasi.co.in, advertisement in leading local dailies, local T.V channels and Social media. The prospectus is also published which contains detailed information about the courses and subject combinations offered by the college. It is made available to the students against a nominal cost. The process of admission is fully computerized. College level Admission Committee constituted by the college Principal monitors the admission process and student profiles annually. The admission process is as a routine thoroughly reviewed by this committee under the guidance of the Principal at the onset of admission every year.

Research and Development

As a part of fostering research

culture among the students and the faculty members, a RD Committee is in place. The RD committee is encouraging faculty members to organise seminars, workshops, guest lectures and sensitization programs to create research spirit among students and faculty. The institution is also involved actively in extension activities. The activities of the college are not limited to the curriculum but transcends beyond. The college has been effectively disseminating awareness by sensitizing students through their involvement in various activity based programs, outreach activities, extension activities and holding various innovative programmes. The college also offers Swachh Bharat Summer Internship Program under Swachh Bharat Mission (Gramin) in the neighbouring communities and villages to give them a chance to get involved in community level issues, spread awareness and help society by their services. Students participate actively in extension activities organised by NSS from time to time both within as well as outside the college. Besides these students also participate in Health awareness camps, cultural festivals, college sports meets (Both inter as well as Intra College), debates, seminars, quiz, rallies, and poster making competitions funded by various agencies. The extension activities not only serve the society at large but also imbibe the students with qualities to become responsible citizens. All significant days are celebrated regularly in the college with the aim to develop feeling of nationality and ethical values amongst the students. Besides this various career counselling sessions are regularly organised in the college from time to time.

Human Resource Management

The college envisions becoming the premier provider of learning, research and innovation in the region, fostering, intellect, creativity, leadership and character development. Being a government college, the overall authority is vested with State Government. The effective leadership of principal of the college aids in achieving the vision and mission of the college through day to day activity of

the institution. Formulation of strategic plan and guidelines with specific goals by aligning the academic and administrative activities improves the overall quality of learning in the institute. The internal coordination and monitoring is done by the college Principal with the help of various committees for managing the day to day activities and the system is fully streamlined. The institution has set norms for professional development of faculty members by motivating to pursue higher studies, attend Conferences, Workshops, Seminars in their field of specialization, encouraging to attend and present research papers in National / International conferences and publishing research papers in referred journals. The institution has a mechanism to collect feedback from students, parents and alumni to improve the quality. Continuous feedback, Academic Audit, Feedback from alumni, parents, students, helps it to establish quality culture. The quality is maintained at every stage be it academics, administration, infrastructure. APRs are the tools through which the efficiency of the teachers is monitored. The APRs are submitted by the concerned teacher to the Principal and after analysing the performance of the faculty member, Principal sends these APR to the higher education. The college has established IQAC for regular reviews of the quality standards of teaching. The Institution through its IQAC, makes rigorous and continuous efforts to study, analyze and improvise every strategy, activity, process and procedure in all activities with a aim to achieve, sustain and enhance quality with a view to achieve excellence. Being a Government college, the budgetary provision and routine grants are provided by the government. Accounts of the college are audited as per the government norms by competent auditors deputed by Finance or A. G. Office.

Examination and Evaluation

Students need to apply to the University for correction in marks card and re-checking/ re-evaluation. The process is governed by University of Jammu ordinances. The examination committee and examination section of the college guide the students about

the process. For errors in the mark sheets and in case of withheld results, the college promptly sends the duly certified copies of internal assessment record to the examination branch/section of the University for Necessary Corrections. Internal Assessment committee addresses all grievances related to internal assessment marks. The committee is set-up at the college level to sort issues related to attendance and internal assessments and all queries are responded to by the internal assessment committee convener. The committee promptly deals with mistakes/errors related to attendance, internal assessment of the students.

Industry Interaction / Collaboration

The College has a Entrepreneurship/Incubation Cell in place. The Committee arranges interaction/Seminar of students with the Corporates/Entrepreneurs/Industrial Units. The colleges also arranges Skill development/Capacity Building Programs for students in collaboration with other relevant Institutes. The college is in the process of signing MOUs with different Corporates/Entrepreneurs/Industrial Units/Institutes for the student exchange viz a viz Capacity Building and Skill Enhancement.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Administration	<p>For fulfilment of the college mission, the leadership strives to maintain an open and interactive environment. Besides, ensuring fair conduct of examinations, placement of 50 CCTV cameras throughout College campus, any possible law and order situation is also kept in check. Adoption of JKPaySys brings GDC Reasi one step closer to e-governance setup. Provision of High-end PCs, printers, scanners, internet facility in College office ensures Official work is never hampered and eventually making it a fully functional set up despite manpower shortage. A two-way communication channel between the staff and the leadership is an important feature of this college. The Principal of the college interacts with staff and students at formal and informal levels,</p>

on various occasions. The college has a teacher body represented by constitutionally elected Staff Secretary and students council/ body to represent the issues of the students for their welfare. Election of the student body is conducted democratically wherein students are given liberty to choose their leader and form the student council that help them to share their ideas, interests and concerns with the teachers and authorities. Students are given abundant opportunities to groom themselves and learn skills of leadership that help them to deal with their peers, team building, resource utilization, confidence building etc. This is obvious from responses of students who were part Operation Sadbhavna trip in 2019 to Delhi, Bangalore Mysore under the aegis of Indian Army. The College uses alumni network for the college development and career planning. Appropriately adapting and responding to changing academic and societal environment is a key to the functioning of Govt. General Zorawar Singh Memorial Degree College at all levels.

Examination

The examination system like communication of date sheets, notification of results etc. are fully computerized and sent by the affiliating university to College through e-mails or are placed on the website. At college level, the students are informed about the examination, evaluation etc through College Website and Official Facebook Page.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Title of the Practice: Additional Academic Support
Objectives of the Practice: To provide an opportunity for the quick learners to excel in life. To provide extra academic support. To enable the students to achieve their ideals and goals in life. To provide free coaching for pursuing higher studies entrance examinations and other Job oriented exams. To provide a comprehensive outreach educational program to the students. To help the economically poor, students of rural background face future challenges of higher studies and jobs at the college level.

The Context: Providing quality education to otherwise educationally backward district of the state has been the vision of the college since from its beginning. Students of diverse ethnic and economic backgrounds come to this college for the purpose of seeking higher education. Many students with high academic interest belonging to economically backward communities join this institution. Most of our students come from rural background with most of illiterate parents. These students cannot afford to go for coaching institutes at farer places. Hence to provide an outreach program to such quick learners as well as other students and facilitate them with additional academic support, the college has practice of carrying out remedial teaching and special lectures from experts. Since the remedial teaching is being implemented continuously, this is planned to provide extensive academic assistance to the students apart from regular teaching. Opportunities are created and made known to the students by making them interact with people who excelled in life. Additionally, special coaching programmes are carried out to help students to face other competitive exams and challenges.

The Practice: College intends to provide extra coaching and exposure in the final year of their graduation and Post- Graduation. It starts in the first year of the course. During this students coming from different 2 level institutions are made to understand the different activities and standard of our college and understand the faculty and the class mates. They are made aware of different facilities available in the college. Every course is assigned a course incharge to guide them. During the session, fast and slow learners are identified and it is made possible that students they are prepared for extra academic support. Students are provided more access to ICT based teaching, extra training in the use of E- Resources is provided. For this the college is developing sufficient facilities. Five labs besides four class rooms and 1 smart class room has ICT based teaching facility. The final year students are regularly provided coaching to the PG Courses entrance exams by most of the departments. Career counselling cell is providing counselling for job oriented exams.

Evidences of Success: A large number of our final year students are pursuing PG courses and other professional courses in different institutes of state and outside.

Problems Encountered and Resources Required: The main obstacle was the time for the conduct of extra teaching and funds required. The faculty voluntarily decided to conduct in the zero hours. Requirement of funds is partially met from the Govt. Grants. Above all the active involvement of faculty members helped to undertake this practice regularly.

BEST PRACTICE: 2

Title of the Practice: National Service Scheme (NSS)
Objectives of the Practice: The college has a strong NSS wing working under the NSS Cell, University of Jammu. The institution promotes NSS for the all-round development and character building of the students as well as to extend its activity at the community level. NSS is the platform for community service. The college has adopted nearby Village Aghar-Ballian for its extension activity. Under NSS the college promotes extension work bringing together the campus and the community. The college follows Regular Activity and Special Camp Activity to understand the community in which they work and also understand themselves in relation to their community, identify the needs and problems of

the community and involve them in problem solving and help them to develop among themselves a sense of social and civic responsibility. Such activities help them to gain skills in mobilizing community participation and practice national integration and social harmony. The Context: Various problems are being faced by villages of Reasi district, drug addiction, poor health and hygiene, lack of awareness about various Govt. Schemes, poor sanitation, garbage disposal problems are a few among them. NSS unit of the college feels if awareness has to be disseminated, women and children are the best sources. Sufficient mobilization is needed to introduce new ideas to the children as they lose interest very easily. Organizing health awareness programme is equally challenging as they seem to hold strong affinity to the age old misconceptions regarding health. The planning and designing of programmes need to be done accordingly. The Practice: NSS through the Regular Activity and Special Camp activity involve the teachers, students and the dwellers of the adopted village in: Spreading awareness against drug abuse and in Health Awareness Programmes on Cervical Cancer, Breast Cancer. Blood Donation Tree Plantation Awareness about harms of open defecation and importance of building toilets with pits. Awareness programmes, rallies, etc. involving the students and the children of Village Aghar Ballian. Swachha Bharat Mission- keeping the college campus and surrounding clean through awareness generation. No Plastic campaigns (College to declare its campus as Plastic Free Zone) Clean Campus Mission- Awareness Programme with locals around the college campus and about how to keep the locality clean by using bins and discarding the use of carry bags. Surveys among the slum dwellers on health, education and environmental awareness Awareness generation on E-waste and establishment of E-waste Corner Evidence of Success: The community service extended to the Aghar Ballian village dwellers has been rewarding. Most of the villages are aware about maintaining personal health and hygiene. Village streets which were once stinky due to poor sanitation are now clean. Most of the households have constructed toilets and open defecation has almost stopped. Villages and college students themselves are marching towards being totally plastic free in the years to come. Tree cutting has reduced in the area. College itself under the banner of NSS has adopted solid waste management with installation of coloured bins and segregation of solid waste. Compost pit has been constructed in the college to harmlessly decompose the college waste into manure. Problems Encountered and Resources Required: The NSS Cell of the college has a separate committee with energetic young and senior teachers. The college authority extends all encompassing support. The committee takes decisions on regular activities and special camp activities through periodic meetings. The limited grant allotted by the Government is a constraint in itself. Apart from this sometimes the volunteers find it difficult to encourage locals to invest adequate time in learning. Although people are made aware of problems which plastic bag use may create but the failure on part of Govt. agencies in banning the sale of plastic bags is a major hindrance in the success of the efforts made. Notes: The campus- community interaction serves a dual purpose. On the one hand it encourages social mixing among a diversified people promoting communal harmony and fraternity and on the other hand such frequent interactions with college students raise enthusiasm among children to join higher institutions of study for a better future.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution being located in an educationally backward region, is serving at its best for empowering rural based students. It offers UG programs in different courses with different combinations. College is committed to impart quality education to rural students which aims at providing opportunity of receiving higher education at their door steps. The vision of our college is based on the preamble "To work together to create a better future for all, through education, enterprise and employment". All measures are taken to impart quality education to enable the students learn life skills and build a strong future. Our college has been a renowned college in the Reasi District catering the needs of thousands of students from most of the district. Quality education is provided in all classes. For improved learning among students various co-curricular activities are conducted in the college. Students are involved in student's seminars debates and group discussions. Debates and Symposia are conducted to facilitate inculcation of creativity and enhanced learning abilities. The vast collection of books in the library provides a treasure of knowledge. It is equipped with INFLIBNET. Slow learners are identified in the first year and remedial classes are arranged to them in extra hours. Quick learners are involved in activities to excel in the subject. Students are provided counselling for entrance exams of PG courses and for job oriented exams. Many of our outgoing students join PG courses in different universities including central universities. Our alumni are employed in all private and Govt sectors. Many of our past students have qualified Kashmir Administrative Services (KAS) Exam. Two of the proud alumnus of this college have a qualified the JK Public Service Commission Exam and interview and are now serving in this college itself.
