

"RIPPLES OF ANJI" Newsletter (2020-21)

Govt. General Zorawar Singh Memorial Degree College Reasi

(Affiliated to the University of Jammu)

NAAC Accredited "B" Estd.2003

FROM THE PRINCIPAL'S DESK....

Dear students welcome and congratulations to all of you in the third issue of this newsletter, "Ripples of Anji". I wish these ripples of knowledge enrich and enlighten your life with wisdom, peace and prosperity.

This newsletter which is being rolled out after a great victory over the deadly pandemic COVID-19, marks the launch of an activity that foregrounds our campus- a platform where gifted minds converge and share their treasures of knowledge and wisdom. I feel quite elated that we have started this newsletter and are starting this new issue with the reopening of our educational institutions after remaining triumphant in the long standing battle against COVID-19. My ecstasy is beyond the expression when I see all my students and faculty once again on this campus. I congratulate all of you for being us triumphant.

"Talent wins game, but teamwork and intelligence win championship" (~Michael Jordan)

Since teamwork is the ability to work together toward a common vision, I find this newsletter an opportunity to acknowledge the individual accomplishments of our sincere and dedicated faculty and support staff who are working round the clock to help this institute achieve the heights of success. I acknowledge that this organizational objective would not have been possible without the sincerity, dedication and commitment shown by our students the evergreen, all-rounder "Zorawarians" who make us proud by displaying their exceptional talents, and have brought laurels not only in the academic but also in the allied areas of arts, creativity, sports and debates.

Since this newsletter marks an important milestone in the journey of invincible "Zorawarians". I sincerely hope that this prologue serves as an inspiration for our multifarious growth and academic vibrancy. Taking a cue from the achievements of the past, I wish our endeavors achieve peaks of success.

**PRINCIPAL
DR. CHANDER SHEKHAR**

EDITOR'S NOTE...

It is my pleasure to introduce the newsletter for the 2020-21 session of Govt. General Zorawar Singh Memorial Degree College, Reasi. This edition highlights achievement, new development, activities along with multiple initiatives undertaken by our College, despite the harsh challenges posed by the pandemic. The enthusiasm of College students and faculty is visible in every event mentioned in this newsletter irrespective of its online or offline nature. Adjusting to the altogether new way of online teaching mode in J&K was a challenging task, yet the faculty and students of this College, made the transition smoothly and adopted the same online platform for co-curricular activities as well. I take this opportunity to acknowledge the support offered by our Worthy Principal, Dr. Chander Shekhar to ensure that College doesn't compromise with its quality even in these difficult times. His sheer will and determination coupled with never ending cooperation from the College staff made it possible to host as many activities in 2020-21 as possible.

I wish the readers will appreciate the efforts made by students and teachers of this College to bring yet another edition of the College newsletter.

ASST PROF SUNIL MANGOTRA

EDITOR

CO -EDITOR'S NOTE...

At the outset of this newsletter, I would like to share my cordial congratulations to all of you for being victorious in a long-standing battle against the deadly pandemic covid-19 and resuming our institutional activities almost after a year. I am quite elated that our college, Government General Zorawar Singh

Memorial Degree College Reasi is rolling out the third Edition of its newsletter "Ripples of Anji" and I welcome all of you in this newsletter. This newsletter will help showcase the activities that are happening in the campus. At the same time it will provide a platform for exposing the merits and academic achievements of the faculty and students as well. As a co-convenor, I find this newsletter as an opportunity to impart my experience to my dearest students and my dedicated colleagues as well. As you all know that life is a journey but this journey is not always easy. It is an admixture of challenges and opportunities, motley of failures and success. But withstanding the challenge and wisely consuming the opportunity makes this journey easy and this way great nations have made their history. The best thing I observed is that you have decided to become Zorawarians, because this college is a vast treasure of opportunities, and I believe that our students are the ablest students of the province.

I encourage and endorse your decision of becoming Zorawarians because this college has got the ablest and the most dedicated teachers who are the vast treasures of knowledge and wisdom and have the best teaching and training skills. Our faculty is not only the imparters of knowledge, they are the consellers and guides of the student who guide and counsel them in every aspect of life. Our college, equipped with every facility of modern technology is amongst the best colleges of the area. At last,

I wish this college make its own history and our students achieve the greatest heights of success.

Last, we all pledge to help this college reach the heights of success.

Developmental Activities:

In every educational institution, infrastructural development is an important aspect that needs to be taken care of. When development vis-a-vis infrastructure takes place, only then the individuals will be able to carry out their duties in an appropriate manner and lead to progression of educational institution. Since the inception of this college, the activities related to development have always been at the forefront and rigorous efforts have been made time and again by both the authorities and the students. It is worthwhile to mention that NAAC team visited the college in 2019 and gave a B+ grade to the college. After that many grants for infrastructure development were provided to the college. An amount of Rs. Two Crore was sanctioned to the college under RUSA which was utilized for up gradation of college infrastructure. Such efforts have resulted in the establishment of certain innovative infrastructure in the college.

SMART CLASS ROOMS: *The smart Class rooms is a state of the art facility where students receive elaborate training for improving their learning. Smart classes use all interactive modules like videos and presentations and this visually attractive method of teaching becomes appealing to students who are already struggling with the traditional method of teaching in a classroom. The college has already developed two smart class rooms within the premises where digital teaching learning devices of high quality have been installed. Several classes have already started operating in the smart class rooms. The use of these devices has made the learning process innovative and interesting for teachers as well as students.*

Digital Smart Rooms

LIBRARY AUTOMATION:

The libraries are referred to the places, where there is the availability of various materials, which are meant to acquire information and enhance the understanding of academic concepts among students. Not only the students, but the teachers also make use of library facilities. Taking benefit of modern technology, the college has undergone the process of Library Automation, in which the computers are used to keep track of all the books that are issued, returned and added in the library. The college has a record of 10508 Books till date.

**SKILL DEVELOPMENT COURSES:**

College has introduced some Skill Development Courses in association with various reputed institutions for benefit of students. The Central University of Jammu (CUJ) in collaboration with the Department of Higher Education, J&K Government started a Soft Skills and Personality development Course to train the interested candidates.

These programmers' started by the CUJ will enable the students to seek admission into various specializations offering challenging job opportunities and career prospects. Another (ITI) Skill course in Computer Concepts (CCC) was started by NIELIT. Dr. Prem Singh is the coordinator of the college to organize the skil courses in soft skill and computer course concept.

PLAYGROUND:

In educational institutions the availability of playground facilities is considered important. Within the playground, the students get engaged in many of activities, which stimulate their mindsets and motivate them towards learning. Apart from physical activities, playground facilities are meant for leisure and recreational activities as well.

In tune with this, efforts have been made by the college authorities to level the surface of the ground which was earlier rugged and uneven. Due to these efforts, the surface of the ground has been leveled so that games like cricket, volleyball, Kabaddi, Kho-Kho etc. can be organised in the playground.

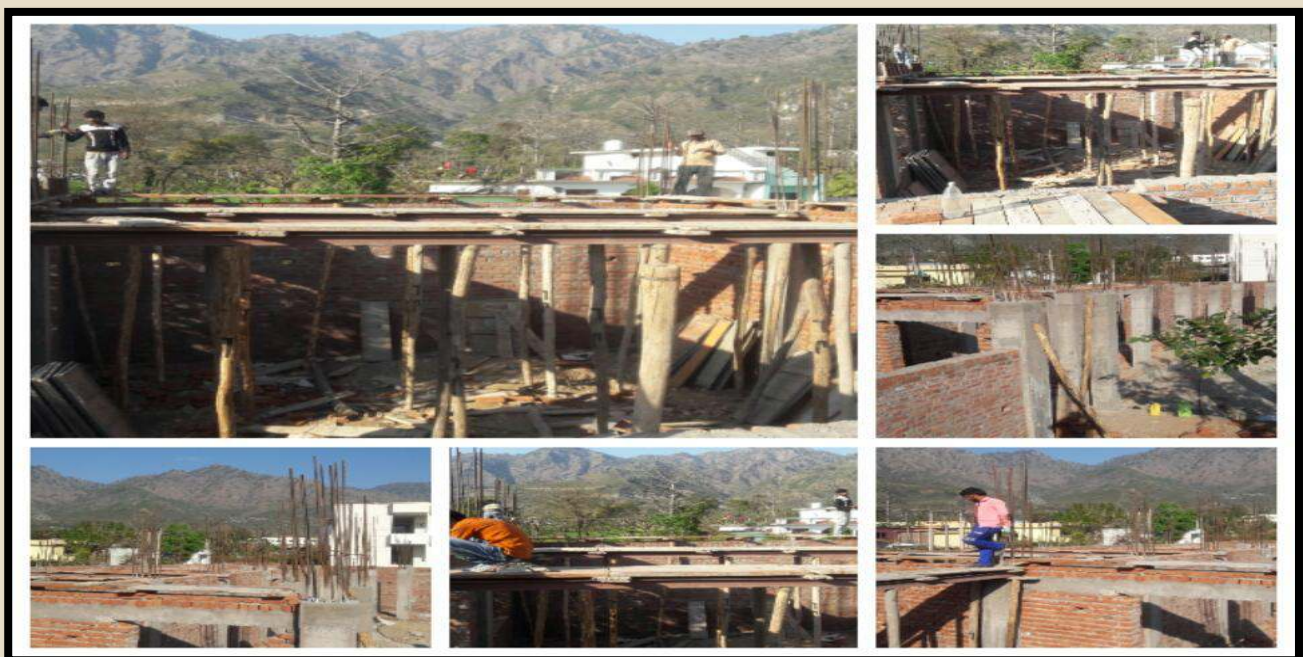

Playground

NEW ACADEMIC BLOCK:

The growing strength of the students along with the introduction of new courses has raised a demand for extra accommodation. To meet such a demand, the college authorities have started the construction of a new Academic Block having multiple classrooms, labs, multi-purpose halls, resting rooms etc.

Parking Area

PARKING FOR STUDENTS:

Institutions should provide a safe parking place for students as well as faculty members. Keeping this in view, a parking place that can accommodate a large number of vehicles for the students has been established by the college authority.

Journey Thus Far

As we bring out the third issue of the College Newsletter- Ripples of Anji, we get nostalgic when we turn back the pages and look back for the humble beginning-the place from where we started our journey. Travelling down the memory lane with a surge of pent- up emotions; one recollects that the long cherished dream of the people of district Reasi

(2003)

became a reality in the year 2003. Since inception, this temple of learning has been growing by leaps and bounds. With the dedication of committed teachers and a galaxy of dynamic principals, the Institution which started with just below twenty students has been able to cross the bench mark of one thousand.

EVENTS/ACTIVITIES OF THE YEAR

(2020-21)

“MENSTRAUL HYGIENE DAY” (28-05-2020)

Menstruation is still considered a stigma in the society due to which many girls and women are forced to adopt unhygienic practices during their periods which cost them their lives. In order to create awareness among the girls and women about the safe and hygienic practices, “Menstrual Hygiene Day” is celebrated every year on 28th of May. The theme for the year 2020 was “Periods in pandemic” which highlights the importance of making women more aware of the importance of menstrual hygiene during a pandemic. A week Menstrual Hygiene Awareness Programme was organised by Dr. Anshu Gupta (H.O.D Environmental Sciences), Government General Zorawar Singh Memorial Degree College, Reasi. The event was held from 28-05-2020 to 04-06-2020.

"World Environment Day" (05-06-2020)

"World Environment Day" is celebrated on 5th June every year, and is the United Nation's principal vehicle for encouraging awareness and action for the protection of the environment. The Department of Environmental Science in collaboration with the Department of Botany, Govt. General Zorawar Singh Memorial Degree College Reasi (J&K) also contributed their share to save the green planet with some efforts by celebrating the World Environment Day 2020 with great fervor and enthusiasm on 5th of June 2020. The theme of this year was 'Time for Nature' which is very relevant because modern man is using the gifts of nature without giving her anything in return. So, in an effort to aware the college students and general public, the departments have organized National level Online Activities on "Reviving Indigenous knowledge- Let's know our biodiversity".

In India, **September 5** is celebrated as Teachers' Day to honour teachers for their contributions in shaping the life of students. On this day, we commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan. He was a renowned scholar, recipient of Bharat Ratna, first Vice-President and second President of independent India. He was born on 5 September, 1888. As an educationist, he was an advocate of education, and was a distinguished envoy, academician, and above all a great teacher. Teachers' Day is celebrated with much fervour all across the educational institutions of India. Students put on performances, dances, skits and host elaborate shows for their beloved teachers. Keeping in view COVID-19 situation, Govt. General Zorawar Singh Memorial Degree College is organizing an online essay writing competition for the students across the country so that students can express their gratitude towards teachers.

“International Forest Day” is celebrated every year on March 21. This day is celebrated to increase public awareness about the conservation of forests for a sustainable future as they hold significant importance in human life. The theme for 2021 is “Forest restoration: a path to recovery and well-being”.

In tune with this, Govt. Gen. Zorawar Singh Memorial Degree College, Reasi organized a slogan writing and poster making competition in which prizes, along with the certificates, were distributed to the first three winners. Apart from this, the students have planted plants at their respective places to celebrate the day. The event was coordinated by NCC Officer Sunil Mangotra under the able guidance of Principal, Chander Shaker Gupta

.Healthy environment is the foundation for a stable and healthy society. To ensure the well-being of the present and future generations, we all must as responsible human beings participate in protecting and conserving our nature. Keeping this in mind, the Department of Environmental Science in collaboration with the Department of Botany, Govt. General Zorawar Singh Memorial Degree College Reasi (J&K) also contributed their share to conserve nature by celebrating the International Day of forests and World Water Day 2021 with great fervor and enthusiasm on 21st March 2021 and 22nd of March 2021 respectively.

To celebrate International Day of forests, a plantation campaign was organized in which students planted various plants in the college campus. A number of students participated actively in the event.

To celebrate the World Water Day, a *slogan writing competition on the theme “Valuing water”* was organized. The theme is very relevant because modern man is using the gifts of nature without giving her anything in return.

A number of students participated and wrote slogans explaining importance of water. Principal of the college, Dr. Chander Shekhar interacted with the students and briefed them about the need to conserve water. He encouraged the students to actively participate in water conservation strategies.

The event was organized by Prof. Upasna, Head, Department of Environmental Sciences (Convener), Dr. Anu Sharma, Head Department of Botany (co-convener), Ms. Sapna, Lecturer in Environmental Sciences, Dr. Hassan Jaleel, Lecturer in Botany under the noble guidance of Principal Dr. Chander Shekhar Gupta, GGZSM College Reasi.

Cleanliness Drive in the premises of Bhimghar Fort and College campus (2020-2021)

Innovation in architecture is with no doubt extremely important, but preserving and restoring the old buildings is equally important because they are the reflections of our history. They also help us to understand the culture, art, architecture and the life of the people who have build them. These buildings may have an important function in history and some are even nation's pride. For instance, Bhimghar which is the hallmark in the identity of Reasi.

In this regard, taking it as a vital responsibility towards our nation's heritage, the NCC Cadets, along with other students of Govt. General Zorawar Singh Memorial Degree College, Reasi, undertook the cleanliness drives in the premises of Bhimghar fort and the college campus under the supervision of worthy Principal and Prof. Sunil Mangotra. The activity was jointly initiated by the Principal and Prof. Sunil Mangotra and the students.

During the drive the Cadets cleaned the walls, removed the grasses and bushes and also restored the broken lights and distubins in both the fort and the campus. A total of 20 students took part in the drive and the drive concluded with a refreshment served to the students.

The Cleanliness Drive was organized under the noble guidance of Principal, Dr. Chander Shekhar Gupta, GGZSM College Reasi.
